That Wonderful Year 1963

WINTER

SPRING

That Wonderful Year

To the students of Elizabeth City High School, the word Spotlight means a book summarizing a year filled with eventful times and memorable activities.

It is the purpose of the 1963 Spotlight to unfold the events of the year as the seasons unfold-Fall, Winter, and Spring. The completed work will be a book of memories of a wonderful year at our alma mater.

The seasons were good to Elizabeth City High. A warm autumn brought pep rallies, football games, College Day and Thanksgiving holidays. As winter came, the weather turned colder, and students quickened their paces in happy anticipation of Christmas vacation-the two weeks of calm before the storm of mid-term exams. We went to basketball games, the Senior Follies, and kept up with the news with the Loudspeaker. Then came spring, and Elizabeth City High was at its best. Both the prom and final exams kept us busy, but not too busy to look toward graduation with mixed emotions.

The seniors leave Elizabeth City High School to go on to colleges, the armed forces, and various jobs. Underclassmen, who stay behind, eagerly anticipate the year they will be seniors. To those leaving, may the 1963 Spotlight serve to remind you of that wonderful year-1963. To those who remain, may the 1963 Spotlight inspire you to even greater heights in 1964 and 1965.

We Dedicate...

Vivid memories recur in the minds and hearts of many a sophomore, junior, senior, and graduate, as he recalls an enchanted hour spent in his classroom each day.

During the year his love grows and radiates into the life of every pupil. As he teaches, characters in both literature and history become living, breathing beings, long to be remembered. Always he is ready to help and guide each student in finding the right path to higher learning and understanding. His ideals of character and honesty offer a life-long pattern for honor and success. He will always be remembered as a friend, counselor, and superlative teacher.

We dedicate this 1963 Spotlight to you... Mr. James R. Gray

Activities

The extra-curricular activities throughout high school years contribute to the developing of personality and molding of opinions. Through these activities in Elizabeth City High School, students develop qualities of tolerance, of self-confidence, and of responsibility.

The Future Teachers of America, Future Homemakers of America, and Future Health Careers Club emphasize a future career! The Tri-Hi-Y and Key Club stress high moral character and service to the community. The National Honor Society accents high character along with high academic standards. Debating presents an opportunity for development of logical thinking. The Spotlight and Loudspeaker reveal the creativity of students. The office and library offer students the opportunity to encounter situations which they may face in future employment. The Monogram Club honors the lettermen in sports. Bus driving presents an opportunity to serve the community and school. The Student Musical Tempo Club emphasizes the importance of musical talent in life. Student Council presents an opportunity to learn how laws are made. Homecoming serves to bring alumnae home and to give present students the challenge of having a superior event.

The extra-curricular activities play an essential part in building lasting friendships, in character strengthening, and in providing lasting memories of high school life.

Snapshots

Athletics

Though the 1962-1963 Yellow Jackets didn't win all their games, they never let E.C.H.S. down, and their big moments more than made up for their defeats. When the football season ended, the varsity had a 5-2 record in the conference, good enough for second place, and a 6-3-1 record, overall. The Jackets played their best game in upsetting Jacksonville. Phil Davenport, Ronnie Dail and Don Sivills were named to the All-Conference team. Sivills was also named to the North Carolina team which played in the Shrine Bowl at Charlotte. The JV's did better than anyone thought they could and finished with a 7-2 record.

With a little more luck and a few breaks the basketball team might have done much better. Even with a losing season though, they were usually never out of contention until the final buzzer sounded and gave many a team a fit before succumbing. A glimmer of hope came from the JV's who finished with a winning season.

No matter what sport Elizabeth City was well represented in 1962-1963. Our hats are off to the Yellow Jackets.

Music

Everyone in Elizabeth City is proud of the Elizabeth City High School Band. As well as performing locally and participating in contests, the band also takes part in the Wright Memorial Celebration, the Christmas Parade, Pirates' Jamboree, and the Veterans' Day Parade. This year Governor Sanford has chosen our band to represent North Carolina in the Festival of States' Parade held in Florida each year.

Under the able direction of Mr. Scott Callaway, the band contributes much to the school spirit by playing at pep rallies and at football games.

We are equally as proud of our Glee Club. They give local concerts and are called upon by many civic organizations to present programs. The Glee Club also attends the clinics held at East Carolina College each year. Under the fine direction of Mrs. Vesta Reel the Glee Club received a superior rating at the clinic this year.

The Elizabeth City Junior High School

The Junior High consists of the seventh and eighth grades. The student governing body is the Student Council. The Council advisor is Mrs. Louise Morrisette. The 5 officers are: Woody, Boyce, President; Sammy McDonald, Vice-President; Judy East, Secretary; Lois Givens, Treasurer; and James Douglas Sawyer, Sergeant-at-Arms. There are nine committee chairmen and thirteen homeroom representatives. These people decide the laws and activities of the Junior High. (Now you see why the Junior High is so mixed-up!)

Some of the best liked activities are the Junior High School dances—the Christmas dance and the May Formal. The May Formal is usually the biggest. A King and Queen are picked from among the eighth graders by popular vote. They are crowned at the start of the dance.

Don't forget the band!! There is a seventh and eighth grade band. The seventh grade practices during fourth period, and the eighth grade during sixth period. Mr. Callaway usually lets the eighth grade give a concert near the end of the year in the auditorium. (By that time they can play two kinds of notes - sweet and sour).

We'll all remember the sports in the gym. Both boys and girls have had fun playing basketball at lunch period. Then there are regular gym periods.

Our Junior High days have included fun as well as hard work and we'll remember them for a long time.

Carole,

This isn't a very long note, but I think it sums up everything.

I sure have enjoyed everything with you, all the "ahy"s and the "yep"s and the "non"s.

School over!! In a few days, that is. All the band trips have been grand, and we've enjoyed 'em. But all in all, there's no way to express what a great time we've had. Looking forward to next year.

Carole,
Another year has flown by and we still haven't found 'Chumsy'. I think we'd better give up. Stay as sweet as you are and lots of luck in the future.
Donna

Carole,
Guess this about puts an end to another year. Hope I'll be in some of your classes next year. Good luck in the future in all you do. Love ya!
Maxine

Dear Carole,
I can't begin to tell you how much I have enjoyed your company this year. I have no doubts that you will go on in life making as many friends as if not more as you made this year. Do like me.
Be good.

Carole

Another year has gone by and next year we can rule the Fraps. We sure have had fun in the Band. I never knew it would be this wonderful. It started with Band Camp, which was the beginning of this wonderful year. Then those great football games. Our trip to Florida made this so wonderful. Of course our good old school work was drab. Algebra and French are real good ≠ grades. Ha! Now that the year is almost over we can really have fun. This is going to be a wonderful summer and I can't wait. Band Camp is always wonderful to look forward to, because it is the place we like to be at. Maybe we will be trying out for "Little" majorettes this year. That will be exciting. Best wishes and I'll see ya this summer. Lots of love
Pat

Carole,
You're such an
old friend, that I
really don't know
what to say to you,

Good luck to a wonderful
